

EXTRA-LONG COPYING END-MILLS

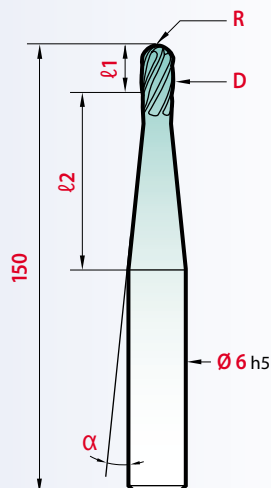

"multiflutes" for super finish (less vibrations), extended tool-life and preserved shape.

FRESAS de copiado EXTRA-LARGAS

"multilabios" para super acabados (menos vibraciones), prolongación de la vida útil de la herramienta y conservación del perfil.

特長複製型立銑刀

"多刃口型" 超精加工（不振動），延長刀具壽命，並保持形狀

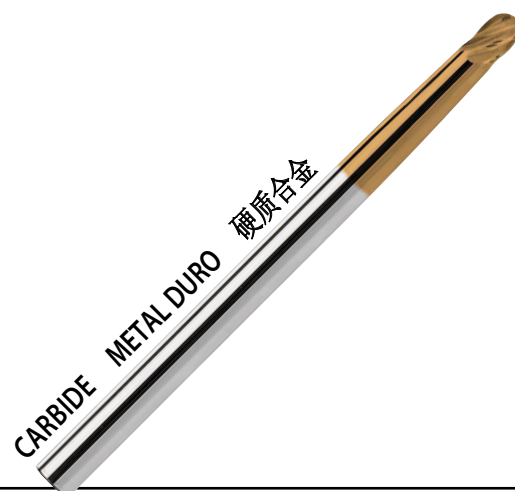

D = d2
