

**HAMMER MASONRY BIT | SDS MAX SHANK | HEAVY DUTY**

**BROCA HORMIGÓN / MANGO SDS MAX /USO INTENSIVO**

**PUNTA CEMENTO | CODOLO SDS MAX | USO INTENSIVO**

Aggressive and durable drilling performance due to centering tip. Fast drilling and reduced vibration

Trabajo agresivo e intenso gracias a su punta de centrado. Rapidez de taladrado y reducción de vibraciones.

Lavoro aggressivo e intenso grazie alla sua punta autocentrante. Velocità di perforazione e meno vibrazioni

### POINTED CHISEL | DEMOLITION ACCESSORIES

### PUNTERO / ACCESORIOS DEMOLICIÓN

### SCALPELLO A PUNTA | ACCESSORI DA DEMOLIZIONE

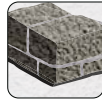

Designed for heavy demolition tasks. Very effective tool -ideal for breaking concrete

Específico para trabajos de demolición. Gran capacidad de arranque. Ideal para traspasar hormigón.

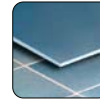

Accessori specifico per lavori di demolizione. Rimozione ad alta capacità. Ideale per forare il cemento.

### HOLLOW CHISEL

**DIN 8035**

Ø  
**26x300**  
mm

Designed for heavy demolition tasks. Very effective tool -ideal for chiselling channels

### ROZADOR

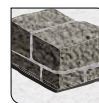

Específica para trabajos de demolición. Gran capacidad de arranque. Ideal para realizar rozas.

### SGORBIA

**1090633260300**

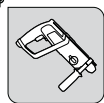

3221910227944

QTY	PCB
1	1

Specifico per i lavori di demolizione. Rimozione ad alta capacità. Ideale per effettuare solchi.

### COLD CHISEL

**DIN 8035**

Ø  
**50x350**  
mm

Designed for heavy demolition tasks. Very effective tool -ideal for removal of rough plaster

### CINCEL

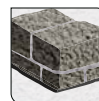

Específico para trabajos de demolición. Gran capacidad de arranque. Ideal para eliminar el gotelé

### SCALPELLO VANGA

**10906330001**

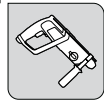

3221910863333

QTY	PCB
1	1

Accessori specifico per lavori di demolizione. Rimozione ad alta capacità. Ideale per eliminare l'intonaco.

### TILE CHISEL

**DIN 8035**

Ø  
**50x300**  
mm

Designed for heavy demolition tasks. Very effective tool -ideal for removal of tiles

### CINCEL AZULEJOS

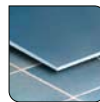

Específico para trabajos de demolición. Gran capacidad de arranque. Ideal para despegar azulejos.

### SCALPELLO PIASTRELLE

**10906330002**

3221910863340

QTY	PCB
1	1

Accessori specifico per lavori di demolizione. Rimozione ad alta capacità. Ideale per scollare le piastrelle.

### ANGLED CHISEL

**DIN 8035**

Ø  
**50x300**  
mm

Designed for heavy demolition tasks. Very effective tool - head geometry designed for easier use

### CINCEL MORTERO

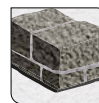

Específico para trabajos de demolición. Gran capacidad de arranque y facilidad de utilización gracias a su geometría.

### SCALPELLO GOMITO

**10906330003**

3221910863357

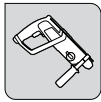

QTY	PCB
1	1

Accessori specifico per lavori di demolizione. Rimozione ad alta capacità grazie alla sua geometria.

### CHASING CHANNEL

**DIN 8035**

Ø  
**32x300**  
mm

For heavy demolition tasks. Very effective tool -ideal for chiselling deep channels

### CINCEL CANAL

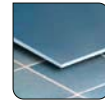

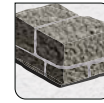

Específico para trabajos de demolición. Gran capacidad de arranque. Ideal para realizar rozas.

### SCALPELLO SCANALATORE

**10906330004**

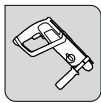

3221910863364

QTY	PCB
1	1

Accessori specifico per lavori di demolizione. Rimozione ad alta capacità. Ideale per effettuare solchi profondi.

### COMB CHISEL

**DIN 8035**

Ø  
**32x300**  
mm

Designed for heavy demolition tasks. Very effective tool -ideal for facades

### CINCEL DENTADO

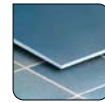

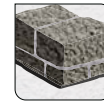

Accesorios específicos para trabajos de demolición. Gran capacidad de arranque. Especial fachadas.

### SCALPELLO DENTELLATO

**10906330005**

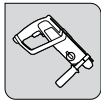

3221910863371

QTY	PCB
1	1

Accessori specifico per lavori di demolizione. Rimozione ad alta capacità. Speciale facciate.

### CARBIDE COMB CHISEL

**DIN 8035**

Ø  
**32x300**  
mm

Designed for heavy demolition tasks. Very effective tool -ideal for facades

### CINCEL DENTADO METAL DURO

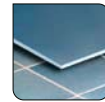

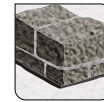

Accesorios específicos para trabajos de demolición. Gran capacidad de arranque. Especial fachadas.

### SCALPELLO DENTELLATO HM

**10906330006**

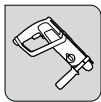

3221910863388

QTY	PCB
1	1

Accessori specifico per lavori di demolizione. Rimozione ad alta capacità. Speciale facciate.

### MORTAR CHISEL

**DIN 8035**

Ø  
**10x300**  
mm

Designed for heavy demolition tasks. Very effective tool -ideal for mortar raking/removal

### CINCEL MORTERO

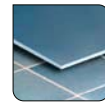

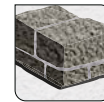

Accesorios específicos para trabajos de demolición. Gran capacidad de arranque. Ideal para eliminar el mortero

### SCALPELLO MALTA

**10906330007**

3221910863395

QTY	PCB
1	1

Accessori specifico per lavori di demolizione. Rimozione ad alta capacità. Ideale per evacuare malte.
